**Please join with us in praying for the young people within the
Furness deanery.**

The Journey's vision is to see every young person within the Furness deanery have an opportunity to explore the Christian faith, journey with it and respond to it.

Thought for the month

This month we are thinking forward, focussing particularly on year 6 transitions. New situations can be extremely daunting and we often don't know where to start. What we forget is that, new experiences and challenges help us to grow and develop. If we stay the same nothing changes. Change is a good thing, and we need to trust in God and the plan he has for us. He won't put us through things we can't handle. Please pray for the Yr 6's during their last half term as they prepare to move up to secondary school.

May Highlights

May saw three members of the youth at UPC making a commitment in their faith journey. We had two baptisms in Coniston Water and a confirmation at the Parish Church a week later. It has been great journeying with these young people and watching them step out in their faith in this way.

Exam season has started so we have been busy putting together de-stress packs for year 11 students at both UVHS and Millom School. At Millom school we also gave the year 11's a lesson on how to manage their stress, as well as teaching year 9 all about Fairtrade using the Christian Aid Fairtrade Chocolate game where the students became different parts of the production chain and saw how tough independent farming is.

We have also been getting things ready for the transition lessons and assemblies and many primary schools have been booking in. It has been great planning and working as a team with Mark and Sarah Callaghan who are such a great support! Vic has been in Dowdales helping the year 11's in their preparation for their RS exams.

The monthly EMPOWER youth service was fantastic. It was great to see young people from Croftlands, the Parish centre and Emmanuel uniting together and being empowered in their walk with Jesus.

June

As mentioned earlier in June we are looking forward to starting the transition lessons around the deanery. We have a few youth events at UPC coming up such as the Giant Puppets workshops and the Water Park social in Coniston. There are also five young people getting confirmed in Broughton this month, which we are really looking forward to!

Towards the end of the month we also have year 7 field trip coming to visit UPC! Please continue to pray for all of these events. We really appreciate your prayers!

Vic Sekasi & Charlie Day, The Journey Youth minister and Intern

As usual in this month's prayer diary... Please continue to pray for those involved in youth groups within the deanery; the young people, the youth leaders and the youth groups.
