The Journey Youth Prayer Diary

July 2015

Please join with us in praying for the young people within the Furness deanery.

The Journey's vision is to see every young person within the Furness deanery have an opportunity to explore the Christian faith, journey with it and respond to it.

Thought for the month

This month we are thinking about our identity and purpose as we lead a youth residential on this theme. I read this quote recently from Joyce Meyer, "If you know who you are in Christ, it won't matter so much to you what other people think." There are 3 questions, which we will be journeying with at the residential; Who am I?, Who does God think I am? and What am I here for? We hope as you pray for the young people by name you will also journey with these questions and get a greater understanding of who you are, what is important to you and how you see your purpose.

June Highlights

In June we were very busy with preparation for transition lessons and assemblies. The first few have gone really well and its been great meeting some of the young people moving up to secondary school in September. Please pray for these young people as they make this transition.

We had a fantastic confirmation service in Broughton where five young people decided they wanted to be confirmed. Bishop Robert came down and led a great service. Continue to pray for these young people as they continue their faith journey.

We also had all the year 7s from UVHS come and have a look around Ulverston Parish Church as part of their humanities field trip. Each tutor group took it in turn to make a visit and answer questions about the church. It was great to chat to these young people and see their perceptions about church and the Christian faith change.

When we haven't been doing all of that we have been preparing for the upcoming residential which we are really excited about!

July

In July we have the rest of our transition lessons with Mark and Sarah Callaghan, Lisa Smith, the new children & families worker, Emily and all the clergy in the area. Please continue to pray for the team, the teachers and the year 6's that we meet. We have the residential coming up so every day in July we are praying for one young person or a leader who is on the residential. Please also pray for the leaders as we busily prepare everything for the young people and for us as we discuss the issue of identity with the young people and remind them that God made them all unique and love them just as they are. Finally do pray for Charlie leaving us at the end of term and as he prepares to start his new job in September. Thank you so much for your prayers!

Vic Sekasi & Charlie Day, The Journey Youth minister and Intern

As usual in this months prayer diary... Please continue to pray for those involved in youth groups within the deanery; the young people and leaders on the residential, the youth leaders and the youth groups.
